

DOROTHY M. WYLIE NURSING LEADERSHIP INSTITUTE

December 2005

Greetings Colleagues,

We are delighted to report that the Leadership Institute is alive and well and continues to grow and develop. The Institute continues to attract wonderful, dynamic and committed leaders from across the country. There are only a handful of places left for Institute #10, to be held in May 2006. We are already taking registrations for Institute #11 scheduled for October 2006. If you know people who are hoping to attend in 2006 please contact First Stage Enterprises at info@firststageinc.com.

Last month we held our inaugural inter-professional **Health Leaders Institute**. We greatly enjoyed the opportunity to work and learn with new faculty and attendees. HLI #2 is scheduled for November 2006 and the brochures will be out early in the New Year. If you have interested colleagues, please refer them to our website, www.healthleaders.ca or contact First Stage Enterprises.

We look forward to presenting a paper titled **Collaborative Practice: The Fundamentals, The Fears & The Future**, at the Nursing Leadership Network (NLN.ON) Conference in Toronto in late March. In addition, we are hosting a Knowledge Café on Leadership & Mentorship – also at NLN. The brochures for the conference are in print right now – watch for it!

Again this year, we will be hosting an alumni event at the conference. Our speaker is **Marc Zwelling, from Vector Research**. Marc is a **futurist** and will share some exciting predictions and ways to prepare for the future of nursing and healthcare! Please see below for details.

LEADERSHIP

DOROTHY M. WYLIE NURSING LEADERSHIP INSTITUTE

Words of Inspiration for the Holiday Season and the New Year

To laugh often and much; to win the respect of intelligent people and the affection of children;

To earn the appreciation of honest critics and to endure the betrayal of false friends;

To appreciate beauty; to find the best in others;

To leave the world a bit better whether by a healthy child, a garden patch or a redeemed social condition;

To know even one life has breathed easier because you have lived.

This is to have succeeded.

Ralph Waldo Emerson

Last Minute Gift Suggestions:

To a friend, your heart.

To every child, a good example.

To your enemy, forgiveness.

To an opponent, tolerance.

To all, charity.

To yourself, respect.

Seasons Greetings!

Best Wishes for a happy, healthy and prosperous 2006.
